

Chapter 5705: TAX LEVY LAW

5705.05 Purpose and intent of general levy for current expenses.

The purpose and intent of the general levy for current expenses is to provide one general operating fund derived from taxation from which any expenditures for current expenses of any kind may be made. The taxing authority of a political subdivision may include in such levy the amounts required for carrying into effect any of the general or special powers granted by law to such subdivision, including the acquisition or construction of permanent improvements and the payment of judgments, but excluding the payment of debt charges and, in the case of counties, the construction, reconstruction, resurfacing, or repair of roads and bridges . The power to include in the general levy for current expenses additional amounts for purposes for which a special tax is authorized shall not affect the right or obligation to levy such special tax. Without prejudice to the generality of the authority to levy a general tax for any current expense, such general levy shall include:

(A) The amounts certified to be necessary for the payment of final judgments;

(B) The amounts necessary for general, special, and primary elections;

(C) The amounts necessary for boards and commissioners of health, and other special or district appropriating authorities deriving their revenue in whole or part from the subdivision;

(D) In the case of municipal corporations, the amounts necessary for the maintenance, operation, and repair of public buildings, wharves, bridges, parks, and streets, for the prevention, control, and abatement of air pollution, and for a sanitary fund;

(E) In the case of counties, the amounts necessary for the maintenance, operation, and repair of public buildings, for providing or maintaining senior citizens services or facilities, for the relief and support of the poor, for the relief of needy blind, for the support of mental health, mental retardation, or developmental disability services, for the relief of honorably discharged soldiers, indigent soldiers, sailors, and marines, for the operation and maintenance and the acquisition, construction, or improvement of permanent improvements, including, without limitation, the acquisition and improvement of land and buildings owned or used by a county land reutilization corporation organized under Chapter 1724. of the Revised Code, for mothers' pension fund, support of soil and water conservation districts, watershed conservancy districts, and educational television, for the prevention, control, and abatement of air pollution, and for the county's share of the compensation paid judges;

(F) In the case of a school district, the amounts necessary for tuition, the state teachers retirement system, and the maintenance, operation, and repair of schools;

(G) In the case of a township, the amounts necessary for the relief of the poor and for the prevention, control, and abatement of air pollution.

This section does not require the inclusion within the general levy of amounts for any purpose for which a special levy is authorized by section 5705.06 of the Revised Code.

The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the current expenses for a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under sections 2151.65 and 2152.41 of the Revised Code;

(b) For providing a county's share of the cost of maintaining and operating schools, district detention facilities, forestry camps, or other facilities, or any combination thereof, established under section 2151.65 or 2152.41 of the Revised Code or under both of those sections.

(3) When the additional rate is for either of the following, the increased rate may be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district.

(5) When the additional rate is for the purpose described in division (Z) of this section, the increased rate shall be for any number of years not exceeding ten.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may be reduced pursuant to section 5705.261 or 5705.31 of the Revised Code. A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2151.65 and 2152.41 of the Revised Code may include both current expenses and other purposes, provided that the resolution shall apportion the annual rate of levy between the current expenses and the other purpose or purposes. The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of constructing, improving, or extending sewage disposal plants or sewage systems, the tax may be in effect for any number of years not exceeding twenty, and the proceeds of the tax, notwithstanding the general provisions of this section, may be used to pay debt charges on any obligations issued and outstanding on

behalf of the subdivision for the purposes enumerated in this paragraph, provided that any such obligations have been specifically described in the resolution.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.
